

# DEER!

APPROVED

Perfect Stop® brake pads may save you more than just a buck.

\* No deer were harmed in the testing of these brakes.

## THE PERFECT STOP YOU CAN ALWAYS COUNT ON.

Perfect Stop® brake pads are engineered to match OE fit, form and function to provide the latest in brake technology at every stop.

OE Scorched™ Ceramic pads are post cured with Advance Transfer Layer Technology and Exact Spec™ pads feature multi-layer shim technology for superior performance. Perfect Stop® offers full line coverage for all domestic and foreign nameplate makes and models for easy one-stop shopping. Perfect Stop products are proudly manufactured by Robert Bosch, the #1 globally-recognized automotive parts manufacturer, offering the best brake pads in the aftermarket at the most competitive price.

Perfect Stop® tested. Deer approved. [www.perfectstop.com](http://www.perfectstop.com)
